

SOUTH WEST

NEONATAL NETWORK

Working in partnership with families and healthcare professionals across the South West to help each clinical neonatal setting achieve the highest standard of care.

Our draft **VISION** for 2020-2025

To ensure the development and delivery of neonatal services across the South West that are...

#1

Built around the needs of the baby with parents and families as partners in the delivery of care

#2

Networked, seamless, responsive, safe and based on need

#3

Delivered by a capable and well resourced multi-disciplinary workforce

#4

Collaborative, innovative and driven by quality, evidence and continuous improvement
